

Tax Status Declaration Form - Individual

Purpose

This form is designed to capture the citizenship and residency for tax purposes of the individual(s) (including personal customers and sole traders) who, for tax purposes, own the income and assets associated with an account maintained by us, the Bank, and held by that individual ("the account holder").

In certain circumstances, this form can be completed for or on behalf of the account holder. In this case, you should complete the form using information relating to the account holder's citizenship and residence for tax purposes rather than your own.

Please don't use this form if you're not an individual. Instead, please ask us for a copy of the tax status declaration form for entities – you can do this by getting in touch with us.

Your Information

Depending on the countries or territories in which the account holder is a tax resident, we, the Bank, may be required to disclose certain information regarding the account holder to the tax authority of the jurisdiction in which you hold your account. If the Bank provides the information to its local tax authorities, then the local tax authorities may exchange this information with the foreign tax authorities of the countries or territories in which the account holder is a tax resident.

Please fill in the form in BLOCK CAPITALS and return it to us. If you have any questions about how to complete this form, please contact your tax advisor.
