When would you like the money to be paid into your account?

In considering your application we will search your record at [a] credit reference agenc[y][ies]. They will add to your record details of our search and your application and this will be seen by other organisations that make searches.
 (We will use a credit scoring or other automated decision making system when assessing your application.)

We will also add to your record with the credit reference agenc[y][ies] details of your agreement with us [the payments you make under] [and] any default or failure to keep to its terms.

These records will be shared with other organisations and used by us and them to:

- help make decisions about credit and credit related services such as insurance for you and members of your household;
- trace debtors, recover debt, prevent money laundering and fraud, and to manage your accounts.

For these purposes we or they may make further searches. Although these searches will be added to your record, they will not be shared with others.

The answers in this form are your responsibility. Please ensure that they are correct.

I confirm that I have checked the above information and it is correct to the best of my knowledge and undertake to provide the Bank, if required, with evidence of expenditure.
